

ASSISTED LIVING

Nestled in a serene, hill country landscape, the dynamic Sodalís Buda assisted living community encourages an active lifestyle for residents, both on campus and in nearby downtown Buda. Residents enjoy spacious apartment homes built in 2018 with designer touches throughout, and a list of amenities to cater to every lifestyle. Personalized care is provided by a highly trained healthcare team to assure residents their needs will be professionally managed.

MEMORY CARE

Caring for someone with memory loss can be a long, stressful, and emotional journey. As caregiving responsibilities become more challenging, it can be comforting to discover a comfortable, homelike setting with a trained and caring staff who can make your loved one's days satisfying and enriching. The Buda team has specialized training in memory care and programs to optimize quality of life through everyday activities in a meaningful way.

RESPIRE CARE

For caregivers needing extra help during the day or a caring environment to take a break or vacation, Sodalís Buda offers respite stays if rooms are available. From single day to a full week or more, the Buda community can provide care for loved ones, as well as social interaction, mental stimulation, delicious meals, and entertainment.

DINING

A trained chef creates three delicious meals a day and snacks per residents' wishes. Restaurant-style cuisine with a touch of traditional home cooking is provided by courteous and friendly wait staff in the gracious Sodalis Buda dining room.

- Fresh, never frozen or precooked meals for breakfast, lunch, and dinner served in our restaurant-style dining room
- Seasonal menus consist of hearty breakfast options, full course lunches, and nutritious dinner selections
- Customized to meet individual preferences or special dietary needs
- Private dining rooms are available for family dining, special occasions, and holidays

ACTIVITIES

Each morning, afternoon, and evening, residents choose from a variety of activities, wellness programs, technology engagement, and more. The full-time engagement director offers daily activities designed around residents' interests, such as bridge and bingo, live music and entertainment, dancing and walking clubs, and memory-enhancement programming.

Located within minutes of vibrant downtown Buda, residents can take advantage of the free shuttle service to access Buda's independent restaurants, coffee bars, brewery, shops, and wellness services.

Everything has been considered and well-planned to make Sodalis Buda the perfect new home.

CARE

Thrive at Sodalis Buda with tailored care services to meet your specific needs. With a "residents first" philosophy, the Buda team embraces a proactive approach to residents' health and wellness, providing the highest levels of care, delivered with the warmth and hospitality of a family member.
